It is free of charge and it ranges from simple questions to investigations on pending cases.

Ambrosio works directly with the INS, and currently helps hundreds of people.

Among other services, they offer counseling in urban development, IRS, Medicare, SS cases, etc.

#### **ISSUE: Buckle Up, it only takes seconds**

Program: **Conteo de Noticias** Date: **05/16/08** Time: **6pm & 11pm** Segment: **1**

**Description:** Every year, the law agencies of Southern Nevada join forces to create awareness on the residents to buckle up and use safety belts.

Starting Monday, officers will be looking out for drivers and passengers who are not buckled.

The initiative called Buckle Up, it takes 2 seconds, is promoting awareness and the life saving impact in could have in case of an accident.

In 2007 257 people died in car accidents in Las Vegas, in which 124 did not have their belts on.

Since the beginning of the year, police has reported 47 deaths linked to car accidents.

**ISSUE: Renters being evicted without warning.**

**Program:** Conteo de Noticias **Date:** 05/19/08 **Time:** 6pm & 11pm **Segment:** 1

**Description:** More and more people are facing this issue, they sign a contract to live in a home or apartment, and suddenly they get an eviction letter from the bank, the reason, their previous owners have not been paying the mortgage.

Suddenly everything turns upside down, they cannot get a hold of the property owner, and most people in this situation ignore that they can seek legal help.

There is an increase in cases of people who have to leave the apartments or homes due to owners not paying their mortgage given the current crisis.

**ISSUE: Community Centers offer free food**

**Program:** Conteo de Noticias **Date:** 05/20/08 **Time:** 6pm & 11pm **Segment:** 1

**Description:** In an effort to offer better services to children in summer vacation, various community services are offering food at no cost.

The program is offered from 8am to 9am for breakfast and 1pm to 2pm for lunch for kids from 3 to 17 years, and it's available Monday thru Friday.

A lot of parents find these programs very convenient, especially in summer time.

They also offer other services for kids and adults and there are discounts for families with low income.

June 2008
